First Steps
• Social Discrimination
- Economic Discrimination
Minimal Affordable Accessible Transp.
Not enough provider (eg. PCA)
Lots of Advocates to Build on.
Laws (eg IDEA) ADA
Force of Impoverishment
Employment Barriers - both employees & employers
"Us & Them" still exists
Disability Awareness Training Not widely available (eg. Education, medical, employers)
Public Assistance/ Public benefit system Not meeting needs & creates financial hardship
Lack of accessible housing & inability to own homes.
Positive and Possible
